Covid19 has brought challenging obstacles into our homes, work, community and all aspects of our lives. It is important that we work together as a community to keep each other and our families healthy. We are following the news daily and are diligently monitoring how Covid19 affects our facilities and communities. This newsletter contains the most recent information in regards to how Covid19 is impacting our community. Due to the uncertainty of the virus and the timing of information released by the Governor, all information is subject to change. We wish all of our community members good health.

Sunflower Swimming Pools Update and FAQ's

COVID-19 has created unprecedented times in Sunflower Village's history. The uncertainty it has created in all aspects of our lives is beyond unsettling. Your Board of Directors wants to answer some of your questions and alleviate a bit of the uncertainty for you. Be assured that the Board has been discussing the pool operations and is working diligently to follow state guidelines. Phone conversations have been held with the managers of other local swimming pools, including Colony Swim Club, The Summit, and other operators in an attempt to create best practices guidelines for this summer. We appreciate your patience in this process, and we hope to eventually see you all over the summer months.

Q: When will the pools open this summer?

A: As a nonessential organization we are unable to proceed with typical preseason opening preparations. Additionally, we are dependent on vendors and suppliers that are also shut down. It appears highly unlikely that the pools will be able to open as scheduled on May 23.

We still are hopeful that the pools will be able to open in some capacity this summer. Once the state's stay-at-home order has been lifted, and depending on any further restrictions that may be imposed, we hope to work with our vendors and suppliers to get the pools cleaned, filled, heated and opened in order to prepare for the summer. Please note that this process may take several weeks once we have permission to proceed.

We also need to hire the summer lifeguards — interviews were temporarily suspended with the initial March 24 shutdown order — and ensure all our lifeguards — new hires and returning guards — have the necessary certifications to protect you and your children.

Q: How will the Association ensure the safety and health of the members and staff if the pools are permitted to reopen this summer?

A: Health and safety always has been the primary goal of the Sunflower Village Homeowners Association, and the Board plans to continue to prioritize this goal. The Board will work closely with local and state health officials and incorporate their guidance and recommendations into our daily operating routine. You can expect to see some changes to our normal pool routine this summer, but at this time, we are uncertain what exactly that new routine will be. You can be assured that the Board will be reviewing our policies and making the necessary changes to abide by the latest health and safety regulations.

Q: When will swim lesson registration open?

A: At this time, swim lesson registration has been suspended for the summer. Once the Board knows what parameters the state and local authorities will impose on public swimming pools, the decision to hold swimming lessons will be reviewed and a date for registration, if appropriate, will be released at that time.

Q: What about the pool parties?

A: The Board will take into consideration any parameters provided by the state and local authorities before reviewing the scheduled pool parties. Information on these parties will be provided later.

As additional information becomes available regarding our pools, we will share it with you via:

EMPLOYMENT OPPORTUNITIES

LIFE GUARD POSITIONS *

The Sunflower Pools are looking for qualified candidates for lifeguards. Must be 16 or older and be a certified Red Cross lifeguard. Contact the Office (453-2022) for an application as soon as possible.

**Interviews for life guard positions will resume once the stay-at-home order has been lifted and we have the permission to resume "normal" operations.*

STORM SEWERS IN HOMEOWNER'S EASEMENT

It is the responsibility of each individual homeowner to maintain, repair and/or replace the easement and improvements which service each lot (i.e. storm sewer), since this is the portion of the system that is for the sole benefit of each particular homeowner. The responsibility for maintaining and repairing same is set forth in the Covenants and Restrictions of Sunflower Village Homes Association. The storm sewers are in "private" easements and therefore neither Canton Township nor Sunflower Village Homes Association are responsible for their upkeep. The Association is responsible for storm sewers in the commons property of the Association.

TOWNSHIP ORDINANCES

FYI - As we get ready for spring and summer, homeowners who own boats and campers will be getting them ready to use. Township ordinances allow temporary parking of boats and campers for 72 hours prior to and after use of the recreational vehicle. However, the homeowner can get a permit twice a year for 2 weeks to keep the vehicle/boat on their property while they prep it, make repairs or clean it. The permit must be displayed on the vehicle/boat in a visible place.

DUES – PAY A SMALLER AMOUNT NOW OR A LARGER AMOUNT LATER

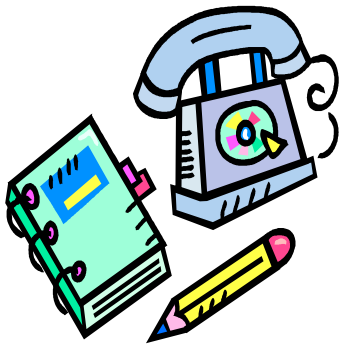

Thank you to all the residents who have paid their dues on time. The deadline for 2020 dues of \$270 was March 1. An initial \$35 late fee has been assessed to delinquent accounts.

However, because of the impact of the coronavirus, the board voted not to assess additional \$35 late fees in April and in May if accounts are paid in full by June 1. So, if you haven't paid yet, you owe \$305 until June 1. But as of June 2, additional late fees may be reassessed.

Dues can be mailed to the office (postmarked June 1 or earlier) or placed in the drop box at the Hanford or Gainsborough clubhouses before 9am on the 2nd.

We realize that these are difficult times for many residents — and the Association wants to work with all of our residents. So if you are feeling the financial pinch of COVID-19, please call the office and set up a payment plan. All details will be kept confidential. If you need help or have concerns, please call the Sunflower Office at 734-453-2022.

And if you've already paid your 2020 dues, we thank you!

The 2020 Directory has been delayed due to COVID-19. Printing companies were also affected by the have been deemed shutdown, and therefore, the printing of the directories has been stalled.

We plan to have the directories printed and delivered with a future edition of the Sunflower Newsletter.

TENNIS & BASKETBALL COURTS

The Gainsborough and Hanford Courts

The courts are temporarily closed due to Covid19, we will open them as soon as it is safe for our community to do so.

Please follow these simple rules once reopened:

- * The tennis courts operate on a first come first serve basis with no reserving of the courts
- * Limit your time to one hour if someone else is waiting to use the court
- * The tennis courts should NOT be used for bike riding or rollerblading as the surfaces are of a special composition and any other use besides tennis playing damages the court.
- * Be considerate of homes bordering the courts. You may enjoy a rousing game of tennis at 6 a.m. on Saturday but some of the surrounding neighbors may not!

Facebook.. We use it to share our successes and triumphs, accolades, and even our defeats. But sometimes, hurtful, untrue and mean spirited things are shared.

It's great to share with each other -- to spread news or warn of pending dangers. And who hasn't sold treasures or found something special to purchase on Facebook? But when comments are posted with the intent to hurt individuals, or relay partial truths and incorrect information, it stops being fun for everyone. Cyber bullying and personal attacks aren't in the spirit of Sunflower's atmosphere.

Words hurt. Our children are watching us, and is this what we want them to learn? Please think before posting something mean or derogatory on Facebook. Did you know...????

It is the responsibility of each homeowner to keep the storm drains in front of their home free and clear of debris so water can freely drain.

Most homeowners do this on a regular basis, and we thank them for it. Please take a look and make sure the drains around your home are clear all year round.

Dear Neighbor,

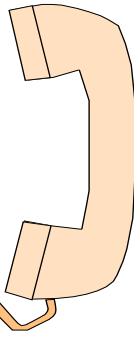

Please do not place personal items in the Commons. No structures, tree houses, sheds, swing sets, pools, etc. are to remain on the Sunflower Commons property. Please remove and restore the Commons to its original condition.

Spring - we've waited a long time for spring this year! Time to be outside again!! The Commons Areas will become more active as we jog, walk our dogs, play ball, fly kites, etc.

PLEASE USE A LITTLE "COMMONS SENSE" WHEN USING COMMONS AREAS.

Please **DO NOT BUILD TREE HOUSES** in the Commons.

Please **NO DUMPING** in the Commons and/or storm sewers. That includes grass clippings, shrub trimmings, tree limbs, old couches, motor oil, chairs or mattresses (you wouldn't believe the amount of stuff we find in our wooded areas). Please help us keep our Commons and sewers clean.

Please be respectful of other's property. When playing ball in the Commons, please hit the balls away from the houses. If the ball goes over someone's fence, ring their doorbell to retrieve your ball rather than climb their fence. Wiffle balls are a good choice for the Commons, both for baseball and golf.

Remember the **DOGGIE DOO-DOOS** and **DON'TS**:

DO clean up after your dog ("it is unlawful for any person to permit their dog to deposit fecal matter in any place other

than the premises where the dog is kept, unless such dog waste is removed immediately and disposed of on the premises where the dog is kept." Canton Township ordinance). Please **DO NOT DEPOSIT BAGS OF DOG WASTE IN THE TRASH CANS AROUND THE CLUBHOUSES**. It's your responsibility to dispose of it at your home.

DON'T allow your dog to run free in the neighborhood - there is a leash law in Canton.

DO remember your neighbors when your dog is outside and barking for a length of time. Please be mindful of how long your dog is barking as it can be a disturbance to neighbors!

DON'T let your dog run around inside the tennis courts.

CATS that are left free to roam have caused damage to neighbors property by scratching patio furniture. Their meows throughout the night are disturbing. Please take care that your cat does not bother others.

SUNFLOWER

Q&A

This column addresses items of interest that you, as homeowners, raise.

Q: Should we pay our dues since we are moving in April?

A: Please pay your dues now to avoid additional charges. When you sell your home, the Title Company that handles the closing needs to contact the Association for a Status Letter (this will tell them that your dues are paid in full through 12/31/20). The Title Company will then prorate the dues as of your closing date. Your closing statement will show a credit for the portion of the year that you do not own the home and the buyers statement will show a charge for their portion. The Association does not refund any portion of the dues.

If you are planning to sell your home it would be helpful if you would let your Title Company know they need to contact the Association for a Status Letter.

TOWNSHIP ORDINANCES - LEGAL REMINDERS

Since Sunflower has a substantial turn-over rate of homeowners each year, we feel it's necessary to repeat certain information on a regular basis. If you've read this information before then please bear with us as we try to inform new homeowners who might not be aware of the information. The Association receives numerous calls regarding ordinance violations. These complaints may be called directly to the Canton Township Ordinance Department. They will handle the call in an expedient manner. The following summarized list are good reminders for Spring:

- Trees are to be pruned so public sidewalks have clear headroom of 7 feet (this includes trees that Wayne County planted between your sidewalk and the street).
- Grass is not to be taller than 5 inches
- No junk or unlicensed vehicles except in a completely enclosed garage.
- Temporary parking of boats and campers is permitted for 48 hours prior to and after use of the recreational vehicle - unless a special permit is obtained from Canton Township (permit is to be displayed on the boat or camper (see article on page 11 for further clarification).
- Dogs must be leashed and homeowners must clean up after their dogs. Fecal matter must be disposed on the owners property (please do not use the trash cans in the Commons to dispose of fecal matter - it's unsanitary and unpleasant).
- Cars may not be parked at the end of a driveway so as to block the sidewalk.

For more information or to file an ordinance complaint, call 394-5335 (M-F 8:30 AM to 5:00 PM)

SLOW DOWN PLEASE!!

Please be aware of the speed you're driving on our subdivision roads and do not exceed the speed limit of 25. Do not put others in danger by speeding in the neighborhood.

SLOW DOWN PLEASE!

PSST! DO YOU WANT TO SAVE \$35 TO \$70?

By paying your 2020 dues today or by calling to set up a payment plan, you can freeze your dues at \$305 (saving \$35 to \$70 in additional late fees).

All payment plan details are confidential and you will not be charged additional late fees as long as you keep the payment schedule current. The Association offers payment plans of 2 to 5 payments (a \$3 service fee will be charged for each payment). **Use of the pools and rental of the Clubhouse is suspended until all dues and charges are paid in full. You must call now to avoid additional late fees.**

Retiring soon? Let's talk.

“COMMONS SENSE”

Paint guns and BB guns are not to be used in the Sunflower Commons areas. Canton ordinances 70.115 and 70.116 state that it is unlawful to discharge any air gun, bow and arrow, and slingshot except at an approved target range. The ordinance also states that a police officer can confiscate these items and legally dispose of them when a violation occurs. Please respect the safety of our community by only using these items where approved.

SAFETY REMINDER

PLEASE be mindful of your speed while driving in the neighborhood. Right now, children are getting some much needed outdoor time during this pandemic and it's our job as a community to keep them safe. Let's all try to not block driveways or park too close to the crosswalks. There are a lot of folks out there walking right now, and we all want to keep our streets safe!

Thank you for your cooperation!

Sunflower Social Committee on Facebook

Follow the Social Committee on Facebook and keep apprised of all of the events happening within our subdivision. You'll also find community information from Canton Township there. You can find us at **Sunflower Village Events and Information**. Come check us out and see what's happening!

LAWN MOWING TIPS

1. Please do not blow grass clippings into the street. The build-up blocks the drains and the water can't flow properly when it rains.
2. Please give the neighbors a chance to wake-up before you start mowing in the morning.
3. Mowing the island on the Cul-de-sacs is the responsibility of the homeowners that border the Cul-de-sac. Neighbors could work out a schedule of taking turns to cut that area.

FROM CANTON TOWNSHIP DEPARTMENT OF PUBLIC SAFETY:

Please keep the fire hydrant in front of your home cleared of vegetation overgrowth. It is critical to the firefighting operation to have fire hydrants readily available when needed. If a fire were to occur, and the closest hydrant were not visible or useable due to vegetation precious time could be lost locating and stretching hose to the next available hydrant. Help the fire department by trimming around the hydrant.

SUNFLOWER CLUBHOUSES

The Association rents the Clubhouses to Sunflower residents for special events and parties. We do not rent to non-residents. If you, as a Sunflower resident, rent the Clubhouse for a friend who is not a resident, you bear the responsibility for the care and cleaning of the Clubhouse. We remind you that as the renter, you have agreed to attend the event and act as host or hostess.

Clubhouse Rentals and Covid19

As part of our ethical obligation to the health and safety of our community, Sunflower Village Homes Association will be following Governor Whitmer's stay-at-home orders.

Due to the orders we have unfortunately had to cancel many gatherings at our club houses. As of right now, all gatherings are cancelled through May 15th with the option to reschedule to a later date or receive a refund.

As we learn of more information, we will address other reservations at that time. We will not be taking any new reservations at this time. We will be offering the available dates in the months ahead to the individuals who have been forced to cancel or reschedule their events.

We will adjust and make accommodations as new information is provided to us, and all information provided at this time is subject to change.

Pool Staff are not able to accept dues payments at the pool. Please pay at the Office before the pools open for the season. Dues paid after the pool opens are subject to a 5 day processing period.

TOWNSHIP ORDINANCES

FYI - As we get ready for spring and summer, homeowners who own boats and campers will be getting them ready to use. Township ordinances allow temporary parking of boats and campers for 48 hours prior to and after use of the recreational vehicle in your driveway. However, the homeowner can get a permit twice a year for 2 weeks to keep the vehicle/boat in their driveway while they prep it, make repairs or clean it. The permit must be displayed on the vehicle/boat in a visible place.

GRADUATION PARTIES

If you're thinking of having your child's graduation party at one of the clubhouses next year, you need to act now. There are a few weekend days still open, but renters who's events were delayed by COVID-19 will have first opportunity to reschedule for those open dates. If you're looking ahead to 2022, we will begin booking those dates in January.

The Recreation areas are closed at 9pm. If you witness loitering, littering, suspicious activities, noise violations and use of the recreation areas after hours please call the police to report the incident. We all want a safe environment for our residents so please call the police right away if you notice anything suspicious.
