Fireworks Ordinance

Firework debris was found all over the Hanford Commons, in the Hanford Pool and on the pool deck last summer. Please follow the Township Ordinance so that we can prevent damage to the Association's property. **Fireworks are not permitted in any Common Areas per the Canton Police Department.** The Sunflower recreation facilities are closed at 9pm and fireworks are not permitted on the property at any time. We can all agree - we do not want any damage to the clubhouses, pools, grass, trees, surrounding areas and homes. Please do not plan on coming to the common areas to set off fireworks in the future.

Fireworks are NOT permitted in the Common Areas!!

If you feel like someone is not following the firework ordinance please call the Canton Twp. Police at 734-394-5400

FYI - As we get ready for spring and summer, homeowners who own boats and campers will be getting them ready to use. Township ordinances allow temporary parking of boats and campers for 72 hours prior to and after use of the recreational vehicle. However, the homeowner can get a permit twice a year for 2 weeks to keep the vehicle/boat on their property while they prep it, make repairs or clean it. The permit must be displayed on the vehicle/boat in a visible place.

2018 DUES UPDATE

As residents of Sunflower, all of us share in the benefits and responsibilities of our Homeowners Association. The Board has tried to work with everyone to settle outstanding balances but there are a number of homes that are delinquent. It is not fair to the majority of owners who pay the annual dues to have a few not pay and the Association not have the benefit of the additional revenues for the operations and improvements of the clubhouses and commons areas.

The Association will file a lien on the property if dues are not paid timely. If the liens are not paid, the Association will file a foreclosure lawsuit. If you are an owner who is delinquent on your dues, we highly recommend that you contact the Association and establish a payment plan for past dues and late fees. If the Association is forced to file a lien and foreclosure, the Association Board is committed to pursuing not only payment of dues and late fees, but also repayment of any and all associated legal fees.

To date, 1,615 homeowners (95.9%) have paid their 2018 dues (21 homeowners are on payment plans currently). Delinquent homeowners now owe \$375 for 2018 dues and late fees. Please send payment immediately to avoid legal action and expense. The Association will still offer a payment plan to homeowners who request one. **Please call the office immediately** - all details are kept confidential. Use of the pools and rental of the Clubhouse is suspended until all dues and charges are paid in full.

Q&A

This column addresses items of interest that homeowners raise.

Q: Why not open the pools earlier in the morning rather than staying open until 9 PM?

A: Swim lessons are offered in the mornings at the Gainsborough Pool. To accommodate them, the pools do not open until noon. A review of the attendance figures from previous years found that the pools are used more frequently between the hours of 8-9 PM than between the hours of Noon and 1 PM.

Q: How do I find out if I can have a fence on my lot?

A: Please review the Covenants & Restrictions, Section 9 (found under Legal Documents @ www.sunflowercanton.com). A permit must be obtained through Canton Twp.

Q: Will the pools be open through Labor Day?

A: Every year we have to look at this question. The answer always depends on how many staff members we have available at the end of August. Our more experienced college guards will be leaving for school in mid-August. We need a college guard (over age 18) to handle the chemicals and pumps and we will not leave the pools manned by just first-year guards for safety reasons. Once we see how the staff shapes up, the Board will be able to make decisions regarding the end of the season.

If you have a question that you would like answered in this column, send it to the Office (45800 Hanford Rd.) All homeowners are invited and encouraged to bring their concerns and questions to the monthly Board meetings as well.

Pool Closings

Our pools will close early if the weather dictates or if there are problems that create a health concern. If any of these problems occur, **please be understanding.** We are working with the local health department to minimize the amount of time the pools will be closed due to a biohazard (the minimal amount of time is 30 minutes but it could be extended depending on the pool chemical readings or the type of biohazard that occurred). Please keep biohazard accidents to a minimum by following a few simple guidelines:

1. Don't let children use the pool if they are not feeling well.
2. Wait an hour after eating before swimming
3. Have your child take regular bathroom breaks
4. Follow the diaper rule
5. Have your child sit out & rest for awhile if he/she has swallowed a lot of water and has come up gagging

Did you know that lightning/thunder can strike up to 10 miles from the eye of the storm. That's why the pool staff closes the pool when there is lightning. If the staff calls lightning, please leave the pool area immediately. The pool will remain closed for one hour after the last streak of lightning.

Your cooperation is essential for a smooth running pool season!

Ahem, we need to talk. So, folks, I don't think you're picking up what I'm putting down here, if you get my drift. We four-footed members of Sunflower love our walking track and grassy areas, and we really love to go for our walks to meet our neighbors, but come on, guys — a little help here, please! We're only dogs after all, and it stinks down here! It's up to you guys to do your duty and use those doody duffels to scoop it up. So how about we all do our part to keep it clean, huh? It'll be a whole lot nicer for all of us. Woof.

STORM SEWERS IN HOMEOWNER'S EASEMENT

It is the responsibility of each individual homeowner to maintain, repair and/or replace the easement and improvements which service each lot (i.e. storm sewer), since this is the portion of the system that is for the sole benefit of each particular homeowner. The responsibility for maintaining and repairing same is set forth in the Covenants and Restrictions of Sunflower Village Homes Association. The storm sewers are in "private" easements and therefore neither Canton Township nor Sunflower Village Homes Association are responsible for their upkeep. The Association is responsible for storm sewers in the commons property of the Association.

COMMONS SENSE

Please use - don't abuse

Homeowners are not allowed to cut down any trees in Sunflower's Commons. The Commons are protected by the forestry laws of the State of Michigan. Therefore the Association must go through the appropriate channels to get approval to cut down trees - and only dead trees can be cut down.

Our commons areas are not to be used as dumping grounds. If you see someone dumping any refuse: grass clippings, shrubs, tree limbs, furniture, etc. please call the Canton Police at 394-5400 and file a complaint. There is a dumping ordinance that the police can enforce: the offender will either receive an appearance ticket on the spot or a misdemeanor warrant will be issued. The fines for dumping are up to \$500. There is weekly, curbside pick up service for this refuse.

Utilize our commons for your leisure and recreational needs but remember, **these are private parks not public parks.** If you are involved with an "organized" community activity, it is the responsibility of your group to find the appropriate, not just most convenient, place to gather.

The Commons Areas in Sunflower are not an extension of homeowner's backyards. Residents are not allowed to install or leave personal property in the commons areas. This includes, but is not limited to, play structures, barbecue grills, lawn furniture, fences and/or invisible fences and any type of recreational equipment. All personal property belongs in the homeowner's yard. All trees planted in the commons areas must have site approval by the Board. Only two trees behind or beside a lot will be approved.

Tree houses may be built on **your** property but please do not build them in the commons areas. Please do not build bike ramps in the commons which destroys the natural undergrowth in the wooded areas. When playing ball in the commons please be courteous towards the homes bordering the commons - please don't hit the ball toward the homes or run into the fences or climb the fence to retrieve your ball.

Enjoy the natural state of our woods and commons

COVENANTS AND RESTRICTIONS

If you want to know what can and cannot be done on your property be sure to check the Covenants and Restrictions for your lot. The C&Rs are available through the Sunflower Website (sunflowercanton.com).

SVHA Office Staff cannot interpret or offer assistance about C&Rs. Have the C&Rs reviewed by personal legal counsel to ensure that what you wish to do is not in conflict with the Covenants & Restrictions and then come to the SVHA Board.

Tips from Canton Public Safety

Take a few common-sense steps to make your home safer while you enjoy your summer vacation:

- ° Have timers go on/off at different times in different rooms, i.e. dining room around meal time, family room in the evening, bedroom around bedtime.
- ° Ask a neighbor to watch your house and take in your mail, paper and/or packages. If the neighbor is going inside your home have them change the blinds every so often so it looks like you're home.
- ° Hire a neighborhood teenager to mow your lawn.
- ° Have a neighbor park their car in your driveway. If the car is moved every-so-often, it appears that someone is home.

A few simple steps might give you added peace of mind so you'll enjoy your vacation more.

Securing your home

- ° Meet your neighbors & ask that they keep their eyes out for anything suspicious
- ° Make sure your home address is visible
- ° Make sure trees/shrubs are trimmed (dense landscaping can conceal front door entrance)
- ° Motion detection lighting installed
- ° Interior garage door locked
- ° Keep garage door closed when not in use
- ° Lock all vehicles

Canton Twp. Police 734-394-5400
