2025 Board Elections / Dues Vote

It's that time of year again to elect members for the Sunflower Village Board of Directors. Make sure your voice is heard and participate in shaping how our neighborhood is managed.

The board consists of a total of 11 members, with each position up for election on a rotating two-year basis. This year, five positions are available for election (terms ending 12/2026). Additionally, there are still two vacant board seats from the 2024 election (terms ending 12/2025). According to our governing documents, the board can appoint interested residents to fill any vacant seats.

If you are a homeowner in good standing, fully insurable, and interested in one of the open seats, we encourage you to attend the meetings in November (Nov 20) and December (Dec 11) to learn about the board's activities. You can also attend the meeting on January 15, 2025, to formally petition the board for consideration.

2025 Dues

We recommend that dues remain at \$355 for calendar year 2025. This will also be the final year of the additional amount of \$100, that resident voters approved in the 2024 elections. This means a total of \$455,

Electronic Voting

Electronic voting (Election Buddy) will not be implemented this year. The number of candidates applying for Board Positions does not exceed the number of available seats in this election cycle, coupled with the recommendation of no dues increase for 2025, we do not see any value in incurring this expense. The board has strong confidence in this software and intends to use it in the future.

Voting Procedures

Voting closes on Monday, November 18 @ 3 p.m.

2025 Board of Director Candidates

Chris Carlisle

Hello! I'm Chris Carlisle, and I have proudly lived in Sunflower for the past 22 years. My family and I have built a strong connection to this community; both of my children graduated from PCCS, and we have cherished the relationships and experiences shared here.

With 40 years in the building industry as a licensed builder, I bring a wealth of expertise and knowledge to the table. My career has encompassed a wide range of projects, emphasizing quality, safety, and design. this extensive background has fueled by passion for enhancing our community's infrastructure and aesthetics, ensuring that we create spaces that are not only functional but also inviting.

I also have had the privilege of serving two terms on the Canton Building Appeals Board. This role allows me to advocate for fair and safe building practices while engaging with community members on important issues. It taught me the significance of clear communication and collaboration between residents and local officials, a perspective I value deeply.

In addition to my professional work, I have been involved in youth development through the Boy Scouts, where I served as a den leader. Mentoring young boys and guiding them in their personal growth has been incredibly rewarding. It has reinforced my belief in the importance of community involvement and investing in our future generations.

As I seek a position on the Sunflower Board, I am excited about the opportunity to contribute my experience and commitment to our neighborhood. I am dedicated to fostering a sense of community and ensuring that Sunflower remains a safe, welcoming, and vibrant place for all residents. I look forward to collaboration with fellow board members and residents to address our community's needs and aspirations, striving to make Sunflower an even better place to live.

Snow Season Reminders

The Board has a plan for keeping subdivision streets safe during the snow season: when two inches or more of snow accumulate, the plowing contractor will clear the streets and salt selected intersections.

Here are some **Do's** and **Don'ts** to keep in mind for a smooth snow season:

- Please be patient it takes time to plow the entire sub. A snowfall of 2-4 inches will take up to 24 hours to plow the entire subdivision. Anything over 2-4 inches could take even longer than 24 hours.
- The plows will not begin until the storm has tapered off or ended.
- Don't leave your car(s) parked on the street when snowstorms are predicted, so the contractor can plow curb to curb without any obstacles.
- Clearly mark your property along the curb and driveway entrance with flags or stakes, so the snow removal company can avoid causing damage to sprinkler heads or lawns.
- Responsibility for clearing driveways and mailboxes after the plow comes through falls on homeowners (including community mailboxes for folks living south of Warren Road). Please don't shovel or blow snow back into the street.
- Trim any tree limbs hanging over the street to make sure plows can get close to the curb and avoid going around that area.
- Remember to take down basketball nets that hang over the street to avoid damage to your net and/or pole.
- Keep storm drains clean to ensure snow melt can drain quickly.
- Canton Township ordinances require three feet of unobstructed access around all fire hydrants, including snow that has accumulated or been piled up.

BEFORE THE SNOW FLIES, PLEASE CLEAN THE LEAVES
OUT OF THE DRAINS ON YOUR STREET TO ALLOW
MELTING SNOW TO DRAIN.
